Mr. Conrad,
Baltimore, Md.

Dear Sir:-

I have been requested by Mr. Schmeiser to submit a price on the removal of the paint from the four sides of the tower and adjoining sides of the front of church of the German United Evangelical Church, located on South East Ave. at Dillon Street.

Attached herewith please find proposal for same. This proposal does not include the erection or rental of scaffolding. I feel sure you are considering painting the exterior woodwork, and if so, the same scaffolding could be used for both jobs, as for this type of work a built-up scaffold would have to be erected.

Hoping you will favor us with your acceptance of our proposal, we are

Yours very truly,

PERMA- TITE WATERPROOFING COMPANY
