

THE ANNUAL REFORMATION SERVICE

JANUARY 29, 1952

Dear Brother in Christ:

Plans are rapidly shaping up for the Annual Reformation Festival. This Reformation Day Festival is to be one of the best ever placed before the Evangelical and Reformed people of the Potomac Synod.

We solicit your whole hearted support and prayers. As you already know the Lyric Theater has been engaged and the Dr. Roland Bainton, Yale University, will deliver the address.

You are probably aware that at a recent ministerium we all agreed to launch this great festival with a gift of \$25.00 or more for each of the churches of the Baltimore area and others who might want to support the project.

We would appreciate it very much if you would send your gift to immediately to Pastor J. Arthur Geschwind of 3810 Fernhill Avenue, Baltimore 15, Maryland.

Further details will be mailed to you as we make progress. We want you to know how the program and organization is progressing.

Don't let us down! Brothers send your checks now.

Fraternally,

The Reformation Day Committee
