Dear Sir and Brother:

Less than 6 months remain for our New Church Building Fund Drive to be completed!

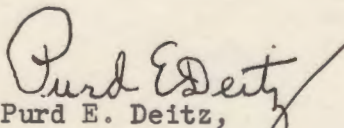

The amount subscribed to date is \$1,217,000, of which \$661,000 has already been paid.

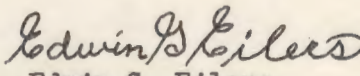

In these three years, the Board of National Missions has kept its pledge to start at least 10 new churches a year. So that we might be able to bring the campaign to a successful conclusion and meet our obligations to these new churches, it is necessary that all pledges be paid in full. Our records show:

Congregation United E. & R. Church, Baltimore, Md. has a
Minimum Objective \$2590.- Subscribed \$- Paid \$50.-
Specials _____

We will appreciate any action you may take to help in bringing this campaign to a successful conclusion, for here is an opportunity to do something definite to advance the growth of Christ's Kingdom; the only way to insure a world of peace and justice.

With sincere Christian greetings --

Purd E. Deitz,
General Secretary

Edwin G. Eilers,
New Church Building Fund
