The Rev. Titus Lehmann,
945 S. East Avenue,
Baltimore, 24, Md.

My dear Pastor Lehmann,

I have heard rumors, and they seem to be substantial ones, concerning the "destructive" work to be done in order to make way for your new building program. I rejoice with you in this project.

Realizing the many inconveniences this may cause in your church program, the thought came to me and some of our councilmen, that perhaps Messiah will be able to assist you in some phases of your program.

If you feel the need for the use of any of Messiah's facilities during your program, let me know and I shall be happy to present this matter officially before our council.

For your information I shall be away at Board (Seminary) meeting the early part of next week so that if you fail to communicate with me you will know where I am.

Sincerely,

Ray Miller
