BALTIMORE, MD.

August 1, 1935.

Mr. George Trautner, President  
United Evangelical Church Council  
East Ave. and Dillon St.  
Baltimore, Md.

Dear Mr. Trautner:

Kindly express to the members of United Church Council the sincere appreciation of the Canton Bible Institute for the use of the school hall for its class sessions on Monday evenings during this past year.

The faculty and school officers are grateful for this privilege and feel that the school term recently closed has been full of spiritual inspiration for those attending. No charges are made for the courses given however voluntary contributions have been sufficient to enable us to meet all obligations and still leave a small balance in our treasury.

We are enclosing fifteen dollars for United Church in recognition of its kindnesses toward us, being thankful to God that He has made this possible.

Will you speak to the Church Council members regarding an extension of this same privilege for our next school term beginning the first Monday in October? We will appreciate your early attention to this request in order that we may complete our plans for reopening.

Cordially yours,

Sadie Sachs, Secretary.

CANTON BIBLE INSTITUTE

BALTIMORE, MD.

June 20, 1934

Mr. George P. Mueller, President  
United Evangelical Church Council  
East Ave. & Dillon Street  
Baltimore, Maryland

Dear Mr. Mueller:

Kindly express to the members of the Church Council of United Church the sincere appreciation of the Canton Bible Institute for making available the school hall at East Ave. and Dillon St. for the holding of class sessions on Monday evenings from March 12 to June 11.

This short term session just ended has been wonderful for its inspiration and knowledge gained by those attending. The average attendance was more 100 each Monday evening. No charges are made for the courses given. However free will contributions from those attending amounted to \$38.00. After payment of all expenses for printing, postage, speaker's traveling expenses, etc. the Institute finds it possible to contribute \$10.00 to United Church.

We are thankful to God for His blessing in this manner and gladly tender the enclosed check as a token of our appreciation.

We are wondering if the Council members would grant the same privilege to the Institute for its next term beginning Monday October 1, and ending May 13, 1935. Would it be possible for you to bring this to their attention at the next regular board meeting in order that we may complete our plans for the future term.

The extension of the privilege of using the school hall each Monday evening will be greatly appreciated.

Sincerely yours,

*Jadie M. Sachs*

Secretary
