

Jan. 25, 1963

This past year has been one of the best our choir has had in a long time. We have been fortunate in obtaining quite a few new members, as most of you have noticed. This all tends to make our music better. Our ambition is to fill both sides of our choir loft, and any of you who would like to help, we would be happy to have you join us.

During the past year, our choir, under the direction of Mrs. Binko, has presented music appropriate for the Church season, even now we are starting to rehearse Easter music. We of the Senior Choir are a happy choir, and our rehearsals are like a big family gathering, and when Naomi calls time, we are ready for work. Rehearsals generally last about one and a half to two hours, depending on the music, and just how fast we can learn it. The Spirit of "We are willing to try" prevails at all of our rehearsals.

We would like to make a few requests, we know that sometime in the near future we will need some robes for our new members of the senior choir, and at the present time we have some robes of the Youth Choir that are beyond repair.

We wish to extend our most sincere thanks to our Church Council for their wonderful cooperation during the past year, and to Mr. Norman Fritze who works so hard to keep us happy. Our prayer, may we all work together for the Glory of God.

Naomi K. Binko

Director

Albert H. W. Fritze

Pres.

Jan. 25, 1963

WE collect no dues

A free will offering is taken at rehearsals.

Whenever the choir presents a special musical service the choir receives the loose change from the offering.

During the Lenten season the choir is given a night to hold a bake sale.

This is how the choir raises it's money.
