Dear Mrs. Witzke:-

Regarding our meeting with your Hall Committee on June 8th. 1953, with reference to using our Sunday School Hall as a permanent meeting place of Highland Chapter of the Eastern Star.

We wish to inform you when your Organization made arrangements, approximately nine years ago, to use our Sunday School Hall as your meeting place, you were then informed we could not guarantee you the use of our hall as your permanent meeting place.

As we have many church and Sunday school activities always taking place in our hall. We wish to inform you our agreement stands the same as before.

With every good wish to your Organization, we remain,

Sincerely yours.

Dear Mr. Fader:

We have just received word that Saturday, September 26, 1953 has been declared by the Kiwanis Club as National Kids Day.

For the past four years your church has been generous enough to give us permission to use your parish hall for our annual talent show which is our contribution toward the National Kids Day program.

We are writing you in advance requesting that you again be kind enough to present this request to your board asking their approval for our using your parish hall on Saturday morning, September 26 from 9 till about 11 a.m.

Kindest regards,

Sincerely,

Mark H. Adams
